<Breakdown by Industry>

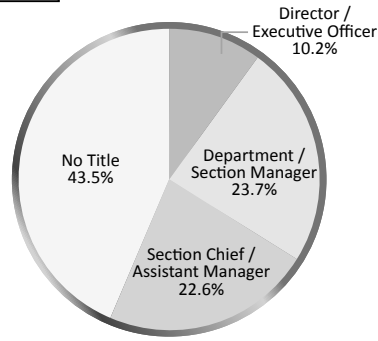

Results of Visitor Questionnaires

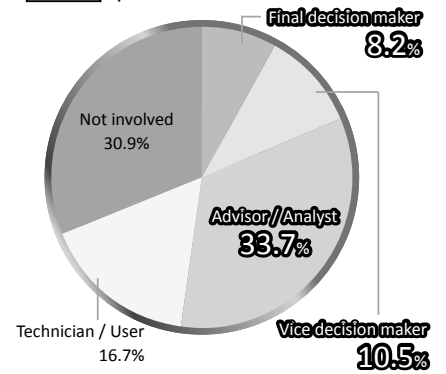

Q1 What is your occupation?

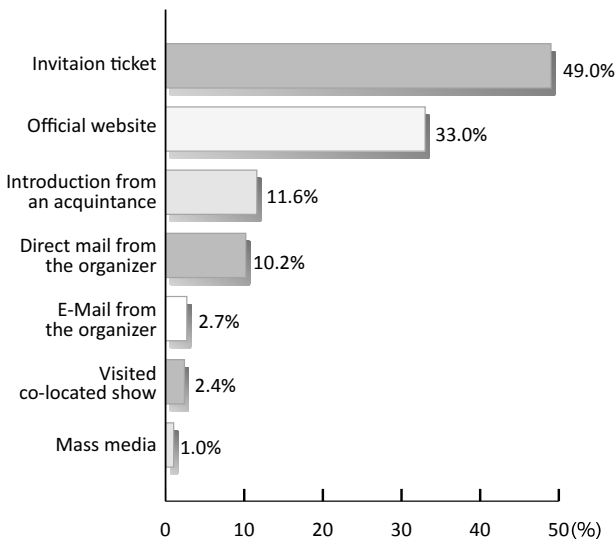

Q2 What is your job title?

Q3 Level of Involvement in purchase decision

Q4 How did you find RISCON TOKYO 2016? (Multiple answers)

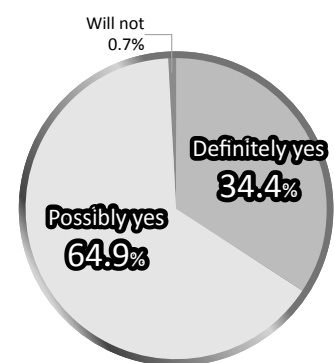

Q5 What is your purpose of visiting?

Q6 Did you find this RISCON useful?

Q7 Will you attend next RISCON?

- Public agencies accounted for a quarter of the respondents, which suggests that there are many visitors from government offices. General Affairs, Accounting, Human Resources, and Facility Management staff members who are in charge of crisis management, as well as top management and managers visited the trade show.
- About 97% responded that visiting RISCON was useful. Visitors are also willing to come back to the show. This suggests that RISCON has high expectations within the risk management market as a place to obtain information about products and services.

Results of Exhibitor Questionnaires

Q1 Reason to know or decide to exhibit at RISCON (Multiple answers)

*Other reasons

- We exhibited in the past and have new products.
- We were looking for a trade show related to disaster prevention and found the website.
- We saw the event on the Tokyo Big Sight Exhibition Calendar.

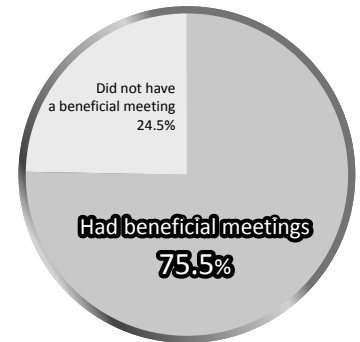

Q2 About the number of visitors of RISCON

● Comments

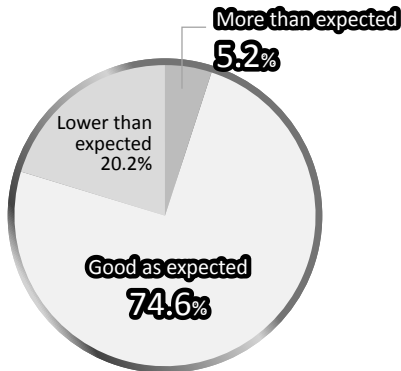

- We had more visitors than we expected to come to our booth.
- We had more respondents to the questionnaire at our booth than last year.
- We gathered more information about our prospects than we expected.
- We had good feedback on our new products.
- Another trade show in the same industry was held at the same time, so it seemed like there were less number of our target audience.

Q3 About business meetings at RISCON

Q4 Please choose the answer that best describes of the result you gained through this RISCON.

① As a place to enter a business

② As a place to acquire new customers

③ As a place for promotion to existing customers

④ As a place to introduce new products & technologies

⑤ As a place for sales promotion & PR

⑥ As a place to get feedbacks about exhibits from visitors

■ 70-80% of the exhibitors responded that the trade show results were “as expected, or more than expected.” There were a number of feedback on specific results including the following: “Highly aware visitors were interested in our booth,” “We were able to conduct business meetings of high expertise,” and “We have a number of leads that can turn into a contract”.

We had good reviews as a trade show, as companies were able obtain concrete results for PR, marketing, and new customer acquisition within the risk control market.

Exhibit Categories & Main Exhibits, Zone

Disaster Risk Reduction Zone

 Robot & Drone for Disaster Measures [Focused Exhibition Area]	Disaster response robots / Exploration robots / Firefighting robots / Power assist suits / Safety devices for drones / Emergency measures solution etc.
 Earthquake Measures	Trailer / Earthquake-resistant mat / Aseismatic reinforcing metal fitting / Fall prevention system for ceilings / Fall prevention tool for furniture / Shelter for anti-earthquake and tsunami / Earthquake early warning devices / Toilet for disaster etc.
 Natural Disaster Measures	Waterproof board / Waterproof gate / Pump air shelter / Water gauge / River water level alarm units / Flood warning systems / Liquid Vacuum cleaner / Inflatable boat / Boots & Rain wear / Weather radars / Snowmobiles / Snow removal machine etc.
 Rescue & Emergency Medicine	Rescue stretchers / AEDs / Infection prevention suits / Harness / Carabiner / Goggles / Cardiopulmonary resuscitator / Emergency bandages and scissors / Rescue training manikins / Gloves for emergency disasters / Hemostatic pad / All-weather waterproof containers / Aquatic rescue equipments / Rescue boat / Electro-hydraulic rescue equipments / Evacuation stair car / Pyrotechnics signal / Fire pot / Fire protection prevention cloths / Tent etc.
 Fire Prevention & Control	Fire suits / Special fire resistance clothes / Emergency shower / Eye washers / Emergency rainwater tanks / Quake breakers etc.
 ICT for Disaster Management	J-Alert receivers / Area mail warning devices / High-performance speakers / Emergency report systems / Emergency information display systems / Safety information sharing systems / Slope Inclination detection systems etc.
 Emergency Food & Stockpile	Emergency bag / Emergency food / Preserving water / Emergency portable toilets / Hand-cranked type charging radio light / Soup apparatus / Knockdown emergency water supply tanks / Partitions for disaster evacuation shelters / Folding beds / Manhole toilets etc.
 Infection Control	Gas masks / Biohazard masks / Armor kit / Protective clothing etc.
 Deterioration Infrastructure Measure & Disaster Reconstruction	Plastic flooring boards / U-typed street / Structure inspection and diagnostic equipment / Airborne asbestos detection devices etc.
 Other Disaster Risk Reduction Measures	Obstruction lights / Traffic control equipment / Folding helmet / Reflection vest / Safety shoes / Rain suits / Volcano response items / Head light / Evacuation guidance towers / Night vision scopes / Thermal camera / Waterproof binoculars / Environment measuring instruments / Respiratory protection equipment / Motorcycles for disaster relief activities / Disaster response vehicles for transportation / General disaster prevention and disaster information systems / Ranger lope / Special equipment / Waterproofed case / Phosphorescent related products / Laser range finder / Pressure gauges and thermometers / Ultra-light ceiling material / Flame resistant bedding materials / Bacteriostatic flame resisting material blanket / Disaster relief stock warehouses etc.

Security Zone

2020 TOKYO Security [Focused Exhibition Area]	Crime prevention equipment for large-scale events / Reflection vest / Long-distance speakers etc.
 Surveillance & Crime Prevention System	Camera equipment / Video surveillance solutions / Network surveillance solutions / Image processing / Cloud-type security service / Biometric systems / License plate recognition devices etc.
 Access Control / Outside Security	Access control / Cash transport vehicles / Bulletproof shields etc.
 Security Service	Next generation man-machine systems / Binoculars / Sighting device etc.
 Self-Protection	Self-defense equipment etc.
 Local Crime Prevention	Sasumata (anti-riot forks) / Life jacket etc.
 Other Security Equipment & Systems	Screeners / X-ray inspection apparatus / Roadblocks / Indicator locks etc.

Business Risk Management Zone

 Factory and Worksite Safety Measures [Focused Exhibition Area]	Safety shoes / Work gloves / Emergency power supply for a portable generator / Engine cutter / Chain-saw / Small infrared camera systems / Wearable positioning devices etc.
 Reduction of Transportation Risks [Focused Exhibition Area]	Electric resin bollard etc.
 Emergency Communications / WEB Conference System	Radio communication equipment / Satellite communication service / Receiving apparatus for fire protection etc.
 Power Outage & Saving Measures	Emergency power supply / Private electric generator / DC power supply systems / Folding solar panels etc.
 Other BCP / BCM Supports	Emergency fuel delivery systems for disaster relief / Small tanks for hazardous materials / Moving power supply vehicles / Cloud-type surveillance systems etc.

CYBER SECURITY WORLD Zone

Solutions for Enterprise	Cyber terrorism preventive software / Traffic visualization alert systems / Targeted attack solutions and threat intelligence services / Automatic file encryption software / Cybersecurity exercise services etc.
Solutions for Municipal Government	
Solutions for Critical Infrastructure	
Other Cyber Security Equipment & Systems	

Results of Exhibitor Questionnaires from CYBER SECURITY WORLD

Q1 About the number of visitors of CYBER SECURITY WORLD

Q2 About business meetings at CYBER SECURITY WORLD

- Comments
- We exhibited for the first time but were able to have business meetings with many people.
- There were a significant number of national and local government officials as anticipated.
- A big portion of visitors were the people in charge of critical infrastructure security.
- The visitor profile meets our needs.
- There were many end users, so it was a good direct sales opportunity.

Q3 Please choose the answer that best describes of the result you gained through this CYBER SECURITY WORLD.

① As a place to enter a business

② As a place to acquire new customers

③ As a place for promotion to existing customers

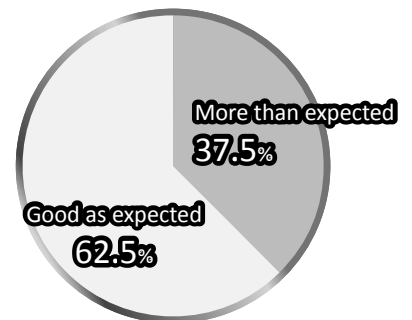

④ As a place to introduce new products & technologies

⑤ As a place for sales promotion & PR

⑥ As a place to get feedbacks about exhibits from visitors

■ CYBER SECURITY WORLD received good reviews as a place for sales promotion, PR, and feedback gathering and created positive results for many exhibitors despite the fact that it was introduced for the first time. Specifically, there were a number of opinions such as the following: "It was a good opportunity to acquire new customers with our target audiences like national and local governments and critical infrastructures."

Show Outline

Organizer: Tokyo Big Sight Inc.
 Special Adviser: Mr. Atsuyuki Sassa (Former Director General, Cabinet Security Affairs Office, Cabinet Secretariat)
 Technical Adviser: Dr. Toshiyuki Shikata (Professor emeritus, The Teikyo University)
 Special Sponsor: Tokyo Metropolitan Government
 Sponsors: Cabinet Office (Director General for Science, Technology and Innovation Policy) / National Police Agency / Fire and Disaster Management Agency / Public Security Intelligence Agency / Ministry of Foreign Affairs / Ministry of Education, Culture, Sports, Science, and Technology / Ministry of Economy, Trade and Industry / Ministry of Land, Infrastructure, Transport and Tourism / Japan Coast Guard / Ministry of Defense / U.S. Commercial Service / UKTI Defence and Security Organisation / Israel Economic and Trade Mission
 Supporters: Council for Public Policy
 Show Management: ATEX Co., Ltd.
 Exhibition Scale: 145 Exhibitors, 207 Booths (including co-exhibitors)
 Condition for Admission: Entrance Permission is required.
 (Entrance was permitted by either invitation by an exhibitor or passing the screening of applications through the official website in advance.)
 *Entrance Permission application is rejected depending on the contents.

Overview of Visitors

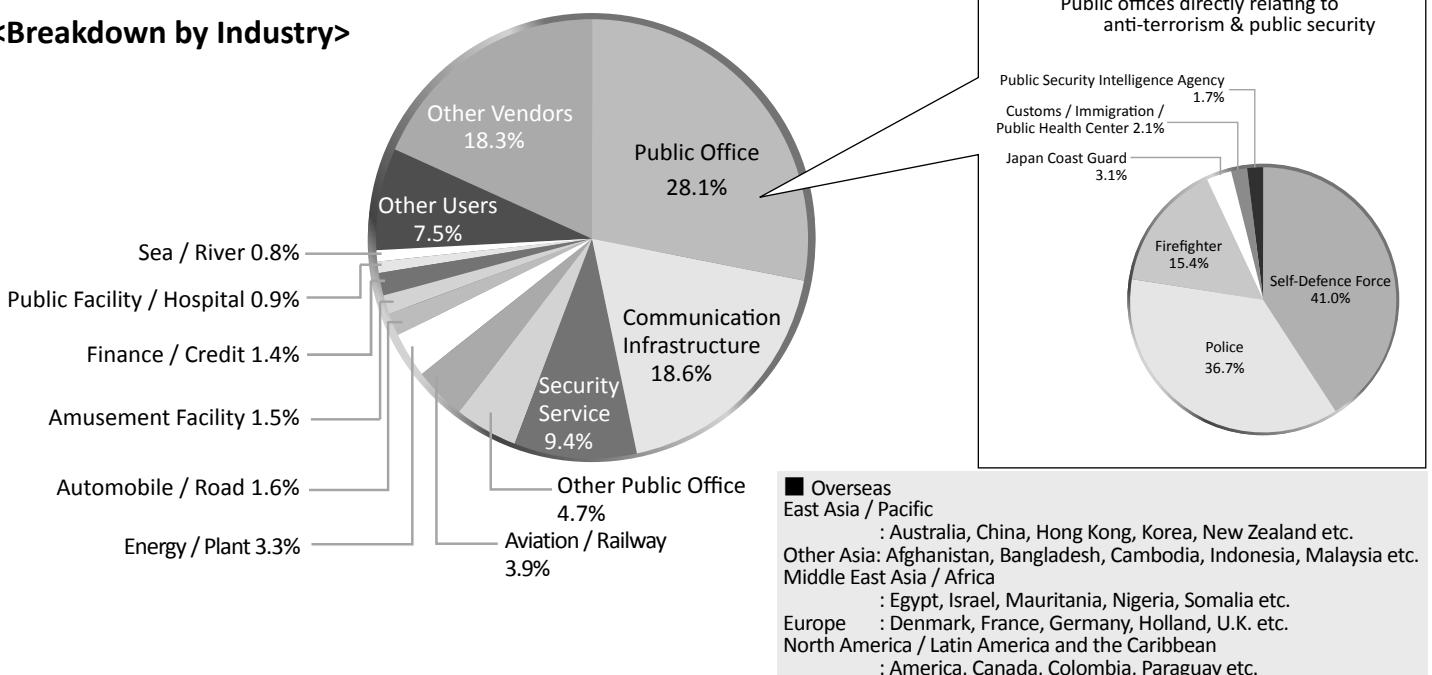

The Rio 2016 Olympics & Paralympics just ended, and attention is moving towards Tokyo where 2020 games will be hosted. SEECAT also received high expectations and interests as security needs are expected to grow more. We marked the 10th anniversary this time, and we had the biggest show ever bringing 8,030 visitors, which was more than last year's number of visitors.

Date	Weather	Registered Visitors*1	Visitors*2	SEECAT'15	
				Registered Visitors*1	Visitors*2
Oct. 19 Wed.	Fine	2,394	8,092	2,253	6,959
Oct. 20 Thu.	Fine	2,517	7,732	2,281	6,176
Oct. 21 Fri.	Fine partly Cloudy	3,119	8,940	3,304	7,783
TOTAL		8,030	24,764	7,838	20,918

Results of Visitor Questionnaires

Q1 What is your occupation?

Q2 Level of Involvement in purchase decision

Q3 How did you find SEECAT'16? (Multiple answers)

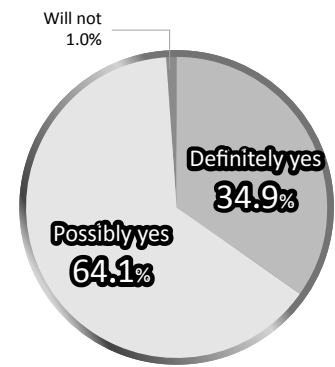

Q4 What is your purpose of visiting?

Q5 Did you find this SEECAT useful?

Q6 Will you attend next SEECAT?

■ Nearly 90% of visitors came to the show looking for products and services. We had a high satisfaction rate, and many visitors showed interest to visit the next show. This indicates that SEECAT, a specialized trade show for counter-terrorism, is recognized as a useful trade show to obtain the latest information within the industry.

Exhibit Categories & Main Exhibits

Anti-explosive Measures [Focused Exhibition Area]	Robot & Drone [Focused Exhibition Area]	Still and Moving Image Analysis [Focused Exhibition Area]	Biometric Systems [Focused Exhibition Area]
Bomb disposal robots	Drone interceptor	Ultra-high sensitivity 4K compatible network cameras	Face detection and verification software
High throughput type explosive inspection equipment	Autonomous remote-controlled robots	Face authentication system	Video image automatic analysis software
Explosion-proof chambers	Self standing type underwater monitoring robot	3D laser measurement systems	Non-contact high-speed fingerprint authentication devices
Bomb disposal bag	Tablet operating drones		
Explosive detection kits			
Detection, Inspection, and Analysis	Monitoring and Alert Systems	Special Equipment	Simulators and Training Equipment
Chemical agent detectors	Video surveillance solution	Bulletproof plate	Defense simulation
Liquid inspection devices	Thermal camera	Portable LED search light	Crowd simulation
Buried object detection	Outdoor surveillance solutions	Rescue jacket	
Spectrometers	Small rotational cameras	Equipment for diving	
Body scanner	Highly sensitive surveillance camera system	Net launcher	
Communication Equipment and Encryption Technologies	Trespassing Prevention Facilities and Equipment	Other Anti-Terrorist Measures	
Satellite communications equipment	High security bollard	Chemical decontamination neutralizer	
Satellite vans	Infrared sensors	Image sharpening devices	
Wired/wireless intercom system	Fence center	Air cleaning devices	
Video surveillance systems	Through-the-wall sensors	Name verification module	
Cyber-control solution	Explosion-proof sensors	Emergency life-saving devices	

Results of Exhibitor Questionnaires

Q1 Reason to know or decide to exhibit at SEECAT (Multiple answers)

*Other reasons

- We exhibited in the past and are back to showcase new products.
- We visited the previous show and thought that the target audience matched with ours.
- We have been exhibiting as regulars (exhibitors from overseas).

Q2 About the number of visitors of SEECAT

●Comments

- It was good to see many visitors from critical infrastructures and government agencies.
- There were so many visitors that we couldn't even take a lunch break.
- Because the venue was divided, we had some down-times with fewer visitors.
- Many visitors had clear objectives, so we were able to discuss in detail.
- We were able to have meetings with users and prospects whom are usually challenging to reach out to.

Q3 About business meetings at SEECAT

Q4 Please choose the answer that best describes of the result you gained through this SEECAT.

① As a place to enter a business

② As a place to acquire new customers

③ As a place for promotion to existing customers

④ As a place to introduce new products & technologies

⑤ As a place for sales promotion & PR

⑥ As a place to get feedbacks about exhibits from visitors

■ More than 70% of the exhibitors responded that "they had business meetings." 80-90% of the exhibitors responded that the trade show results were "as expected or more than expected." This shows that there were highly aware visitors, fruitful business meetings, and quality information exchanges.
